Welcome to this exquisite Farmington Hills tri-level home with custom updates on nearly half an acre! You will adore the convenient layout and well-appointed, eat-in kitchen that features granite countertops, stainless steel appliances, generous counter space and storage and even space for an indoor herb garden. Journey to the enchanting conservatory where you can enjoy stunning views and experience the ultimate in relaxation all year round. You will feel completely secluded on this wooded lot with no views of your neighbors. The master suite will really impress with heated floors, walk-in closet with laundry and a magnificent master bathroom featuring a jacuzzi tub, superb stone work and spacious walk-in shower. With over 3,200 square feet of space, and the ability to convert into 5 bedrooms, this one of a kind home offers plenty of space for years to come. Home is also pre-wired for a generator.
